Public Infrastructure Grant Eligibility

Pursuant to section 288.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible governmental entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry. (View Florida's [Targeted Industries here.](#))
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

1. Program Requirements:

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

A. Provide the title and a detailed description of the public infrastructure improvements.

Neighborhood Traffic Calming Plan This project will address neighborhood traffic calming with the overall concern for safety on local residential streets. Traffic calming will include the redesign of streets, traffic circles, street humps, chokers, roadway striping, median closures, speed lump/speed cushions, textured pavements, Center Island narrowing, and other traffic calming improvement elements.

. B. Is this infrastructure owned by the public?

Yes No

C. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

D. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes No

E. Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.
